Grooming

Every dog is treated with a warm bath, blow dried, brushed out, ears cleaned, and nails trimmed. Dogs who can't tolerate the dryer noise are placed in a quieter and supervised environment with circulating air.

Please note

For the safety and well being of your dog and our staff, we ask that your dog be current on all vaccinations.

Puppies

A puppy's first experience at the groomer's should be as enjoyable and comfortable as possible. Most puppies need to be groomed every 4-6 weeks.

Senior Dogs

It is important to note, the older the dog, the lesser time should be spent on the table. Grooming senior dogs can be challenging. Special care and extra time is always given to senior pets.
